Built by Projexon this staggering project included the construction of seven new mid-rise buildings on the 35-acre West Don Lands site. Following the Games, the area will be transformed into the mixed-use Canary District Community, a vibrant new neighbourhood that will boast market condos and townhomes, and George Brown College's first student residence.

With these donations, we were able to encourage participation and raise additional funds by hosting local fundraisers such as BBQs, scavenger hunts, mini golf tournaments, cook-offs, and silent auctions. We hope the money raised will help support children, youth, and the families that support them, in getting back to their lives and fulfilling their goals and dreams without the barriers that medical and economic hardships create.
